VIII   Comments from the Chair:

        1. Ways to update your club information:
                a. on the Club Data form when you pay your club dues.
                b. on the IAGSDC web site.
        2. We notice a trend that many club's numbers are down. We all need to work to
           try to come up with ideas to reverse this trend.
        3. John recognized all the "First Time" convention attendees.

IX   The meeting was adjourned at 1:00.
